

Hi! Here is the information for airport pickup from DEN. Denver International Airport is about 90-minutes to 2-hours from UCCS. For your return trip, it is suggested that you leave 4-hours before your flight's departure time.

The 2010 US Go Congress has contracted a group rate for people coming to UCCS from Denver International Airport. www.303shuttle.com is the website of our shuttle service. Their e-mail address is airshuttle@aol.com and their phone number is 303-710-6367. You may sign up and pay at their website.

Signing up is mostly self-explanatory, but I have the step-by-step instructions below. Congress participants will be picked up at **Door 505 Island 3**. *See attached map.

DISCLAIMERS:

- These costs (\$25 each way, normally \$50+ each way) are based on 10+ passengers on each van/bus.
- Those arriving early will have to wait until we have enough people for a full shuttle.
- If there are fewer than 10-passengers on your shuttle, you and the other passengers will need to split the difference for the cost of the shuttle ride. The total cost of each trip is \$250. The difference would be paid at the shuttle desk before boarding. This may affect passengers travelling on days other than 7/31/10 and 8/8/10 and those on the last shuttle of the evening.
- Full shuttles will most likely run between 7am and 8pm on 7/31/10 and between 4am and 2pm on 8/8/10.
- Shuttles will be scheduled based on the flight itineraries entered via the website.
